

GREEN'R

FLOORS

For a GREEN'R life !

For ecological washing of all your floors and surfaces and the guarantee of an impeccable result.

The **GREEN'R** range contains natural ingredients. This guarantees effective products that also respect the environment.

Meeting the requirement of the **ECOLABEL*** involves complying with extremely strict specifications, rigorous performance criteria, ultimate aerobic and anaerobic biodegradability and 100% recyclable packaging.

We all have a responsibility to respect the environment at all times.

USE:

GREEN'R FLOORS is a highly effective multi-purpose cleaner. Used neat or diluted, by hand or in a floor care machine, this ecological, pH-neutral, non-foaming cleaner that is approved for contact with food guarantees effective cleaning of all washable floors and surfaces, including protected floors and fragile surfaces. Adapted for regular maintenance, it restores brilliance and shine. It is fast-acting and has a pleasant, soft and fresh floral scent without leaving marks.

GREEN'R FLOORS has very little impact on the environment but is still more effective than other leading market brands.

DIRECTIONS FOR USE:

GREEN'R FLOORS is sprayed neat onto the surface to be cleaned or applied diluted onto floors and surfaces (by hand or machine).

The product must be rinsed off if used in areas where food is prepared. Its formulation means it rinses off easily.
